- **Age of the vineyard:** year of planting 2009
- **Grape yield per hectare:** 80 quintals.
- **Harvest period:** second half of August

Tasting notes:

"... It is an intense yellow wine in the glass. On the nose, the wine is intense, fruity, with a clear distinction between tropical fruits, melon and peach, which go well with the herbaceous notes of tea and the floral notes of orange blossom.

On the palate it is fresh and well balanced with the right flavor.

The sip is full and always invites you to drink...
